### LABORATORY TEACHING WORKSHOP IN PHYSIOLOGY

A Laboratory Teaching Workshop in Physiology will be held from July 17-29, 1978 in the Department of Physiology, All India Institute of Medical Sciences, Ansari Nagar, New Delhi-110 016, India.

The aims of the workshop would be:

1. To determine the objectives of laboratory teaching of physiology in relation to the undergraduate medical education and with a view to give it a community orientation.
2. To review the laboratory exercises so as to evolve those experiments which are best suited for a uniform application throughout the country keeping in view (i) needs, (ii) resources, and (iii) relevance to human physiology.
3. To generate a laboratory teaching manual based on 1 and 2 above.

The Workshop will have an active programming of about 100 hours over a period of 2 weeks and will include (i) actual performance of experiments, (ii) group discussions, (iii) demonstrations and (iv) guest lectures. For further details, please contact: The Programme Director, I.T.W.P., Department of Physiology, All India Institute of Medical Sciences, Ansari Nagar, New Delhi-110 016.

### FIFTH INTERNATIONAL CONGRESS OF HORMONAL STEROIDS — 1978.
