VI. THE INDIAN EPILEPSY ASSOCIATION/18TH INTERNATIONAL EPILEPSY CONGRESS (IEA/18TH IEC) TRUST**FINANCIAL GRANTS FOR WORK IN EPILEPSY**

A Trust called the Indian Epilepsy Association — 18th International Epilepsy Congress (IEA/18th IEC) Trust has been formed in New Delhi.

The main objectives of the Trust are promotion of better management, care, research, welfare and rehabilitation of persons suffering from epilepsy. More specifically these are:

- i) dissemination of knowledge about various aspects of epileptology amongst the medical fraternity, legislators, government officials and public.
- ii) promoting advancement in the care of subjects with epilepsy in rural areas.
- iii) organizing seminars, symposia and conferences on epileptology including inputs from patients/relatives.
- iv) grants for attending national and international conferences on epilepsy.
- v) inviting experts in epileptology from abroad.

The applicants to the Trust must be members of IEA. The application should be forwarded through the local chapter of IEA. Such applications will be considered by the Trust either directly or through specific committees. The decision of the Trust will be final.

Further enquiries are to be addressed to :

Dr. V. S. Saxena Secretary, IEA/18th IEC Trust, C/o RCI, 8, Palam Marg
Vasant Vihar, New Delhi - 110 057. Tel: 6115880/6115827 Fax: 6882818
